

**CONRAD OFFERS ROOM RATE SPECIALS TO
GOVERNMENT EMPLOYEES AND TEACHERS**
*With the Arrival of Summer, Conrad Rolls Out Rates to
Celebrate Service to Our Country*

INDIANAPOLIS, June 9, 2009 – Schools are out for summer and Fourth of July is right around the corner, which is why Conrad Indianapolis invites all government employees and teachers to enjoy exclusive rates of \$94 per night for stays between June 19, 2009 and July 12, 2009.

The "Government and Teacher Appreciation" offer is a special invitation to active and veteran military men and women, firefighters, police officers, education staff and teachers, and all other Indianapolis civil servants. As a token of appreciation for their service, Conrad Indianapolis invites these guests to enjoy premier accommodations at a discounted rate, from average room rates starting at \$259.

"On behalf of the Conrad team, we are pleased to extend this offer as a token of our appreciation for their continued service and protection. This is the third year that we have extended this offer, and after last year's overwhelming response, we have decided to extend the offer over a longer period of time to accommodate and reward a larger number of government employees and teachers," said General Manager, Greg Tinsley.

To make reservations under the "Government and Teacher Appreciation" offer, call 317-713-5000 and reference promotional code G3 or go online at www.conradindianapolis.com and check the Government/Military box. The offer is based upon availability for the dates of June 19, 2009 through July 12, 2009 only. Official government ID or proof of educational employment is required upon check-in. Cannot be combined with any other offer.
